

Rapidly Scam Alert: Is 650-543-4800 Facebook? Find Out the Real Answer

Is 650-543-4800 or 1-855-554-4640 an Official Facebook Number?

Yes, 650-543-4800 or 1-855-554-4640 are associated with Facebook (Meta) and are linked with its headquarters in Menlo Park, California. However, it ' s important to understand what these numbers are — and what they are not.

What Are These Numbers Used For?

- 650-543-4800 and 1-855-554-4640 are legitimate Meta-owned numbers.
- They are typically used for:
 - Identity verification
 - Business-related communication
 - Automated messages or system alerts

What These Numbers Are Not Used For

- These numbers do not connect you to a live customer support representative.
- Facebook does not provide direct phone support for personal account issues like:
 - Hacked accounts
 - Password resets
 - Profile issues
 - Ad billing concerns
- Instead, Facebook directs all support inquiries to its official Help Center and Support Inbox.

Be Cautious: Avoid Scams

- If someone claims to be Facebook support and offers phone help via third-party numbers, be cautious.
- Facebook primarily communicates through:
 - Official email domains (e.g., @facebookmail.com)
 - The Facebook Help Center
 - Meta Business Support for advertisers

Summary

| Phone Number | Official? | Use Case | Can You Talk to a Human? |
