

Connect with Us Now! Is 650-543-4800 Facebook? [Fast Support Available!]

The number 650-543-4800 or 1-855-554-4640 is NOT the official Facebook customer service number. Facebook does not provide direct phone support in most cases. Numbers like these are often associated with third-party services or scammers pretending to be Facebook.

Official Facebook Support Options

- **Help Center:** The main way to get support from Facebook. Find solutions to common issues.
- **Support Inbox:** Once logged in, check messages from Facebook in your Support Inbox.
- **Live Chat:** Available in some cases, such as account suspension or ad-related problems.
- **Social Media:** Use verified accounts like Facebook 's official page or Twitter for updates.

Scam Alert

- **Be cautious:** Numbers like 650-543-4800 and 1-855-554-4640 are often misused by scammers.
- **Automated Calls:** These numbers may direct you to a fake site or ask for payment — this is NOT Facebook 's standard protocol.
- **Never share personal information** unless you are 100% sure it is through an official Facebook channel.
- **Always use the in-app support tools** or the Help Center for safe assistance.

Quick Summary

| Phone Number | Official Customer Support? | Use Case |
|----------------|----------------------------|--|
| 650-543-4800 | No | Often misused by scammers / HQ line only |
| 1-855-554-4640 | No | Automated calls / scams reported |

If you need help with your Facebook account, always use the official Help Center or in-app support features. Avoid calling suspicious numbers and protect your personal information.
