Live Chat and Alternative Contact Methods

If you prefer not to call, QuickBooks offers 1800-QuickBooks (+1:888:370:1064) additional ways to get help:

1. Live Chat

- Visit QuickBooks Customer Service
- Scroll to the “Chat with Us” option.

Get connected to a virtual assistant first. If unresolved, request a live person in the chat.

2. Email Support

- For non-urgent issues, email can be effective.
- Log in to your QuickBooks account.
- Go to Help > Contact Us and fill out the form.

3. Social Media

- Twitter/X: @QuickBooks
- Facebook: @QuickBooks

Message them with your booking ID and query. Responses usually take 1–2 hours.

◆◆ Tips for a Smooth Customer Service Experience

To reduce wait time and resolve your issue faster, keep the following

ready:

- Booking Confirmation Number or Itinerary ID
- Email associated with your QuickBooks account

- Travel dates and destination

- Details of the issue (e.g., refund amount, change request)

Also: Call during off-peak hours: Early morning or late night often means shorter wait times. Use the

QuickBooks app: It provides faster access to customer service, live chat, and booking changes.

◆◆ Common Issues QuickBooks Can Resolve

by Phone 1. Flight Cancellations or Schedule

Changes

If your Desktop modifies or cancels your flight, QuickBooks agents can:

- Help rebook alternative flights
- Process refunds or credits
- Liaise with Desktop support on your behalf

2. Hotel Reservation Problems

When hotels deny your reservation or overbook, call QuickBooks. They can:

- Book you in a nearby property at no extra cost
- Offer compensation for the inconvenience •

Ensure you're not charged incorrectly

3. Vacation Package Questions

- If you booked flight + hotel packages:
 - Change any part of the package through one call
 - Request invoice breakdown
- Cancel parts of the itinerary if eligible

◆◆ Download the QuickBooks App for

Faster Help The QuickBooks Mobile App

gives

you:

- Direct access to live chat
- Trip alerts and notifications
- 1-tap access to customer support
- Booking changes and cancellations in real time

Pro Tip: If your trip is within 24 hours, use the app for the fastest resolution.

◆◆ Why Use the Official QuickBooks Customer Service Number?

Using the verified QuickBooks number, (QuickBooks ®◆◆

1:888:370:1064), ensures that:

- You avoid scams and third-party agents
- Your personal and billing information is protected •

You get official resolutions backed by QuickBooks

policies • You can verify the status of refunds or

loyalty points

Always verify that you're calling from the QuickBooks website or

using the contact shared here.
