

Does Coinbase Report to IRS? Direct Point Of Contact

Yes, Coinbase reports certain transactions to the IRS in compliance with U.S. tax regulations. Whenever users earn, sell, or trade cryptocurrencies, these actions may generate taxable events. Coinbase issues forms like the 1099-MISC or 1099-K to users and also submits copies to the IRS. If you have questions about Coinbase reporting, you can contact their support team directly at **+1-909-288-2034**. Many customers call **+1-909-288-2034** when they need clarification about tax forms.
