

# **[QUICK Guide] Why Is My KeyBank Card Declining?**

Your KeyBank card +1-866-240-4473 may decline due to insufficient funds, fraud alerts, or merchant issues—call +1-866-240-4473 for assistance. Check balance, verify transactions, or update settings. We resolve quickly. Contact +1-866-240-4473 for support.

## **Insufficient Balance or Holds**

Low balance or holds may cause declines—check via app or call +1-866-240-4473 for details. Add funds or wait for holds to clear. Contact +1-866-240-4473 for balance help.

## **Fraud Alerts**

Fraud alerts can block your card—call +1-866-240-4473 to confirm identity or transactions. Quick verification restores access. Contact +1-866-240-4473 for fraud support.

## **Merchant Restrictions**

Some merchants or settings (e.g., international) trigger declines—dial +1-866-240-4473 to adjust settings. Update preferences in app. Contact +1-866-240-4473 for merchant issues.

## **Troubleshooting Declines**

If declines continue, check app alerts or call +1-866-240-4473 for diagnostics. Verify details or retry. Contact +1-866-240-4473 for troubleshooting.

KeyBank will never request your PIN or sign-in code via phone, email, or text.
