

Why is my Robinhood money not withdrawable? {{GeT-Withdrawal}}

There are several common (US +1—(855)—(521)—(5757) US) reasons why your money on Robinhood may not be withdrawable. Here's a (US +1—(855)—(521)—(5757) US) clear breakdown to help you understand what might be happening:

1. Recent Deposits Are on Hold (Up to 5 Business Days) (US +1—(855)—(521)—(5757) US)

If you recently added funds to your (US +1—(855)—(521)—(5757) US) Robinhood account, those deposits may be under (US +1—(855)—(521)—(5757) US) **bank transfer hold**. You can only withdraw money that has fully settled.

2. Settlement Period After Selling Stocks or Crypto (US +1—(855)—(521)—(5757) US)

When you sell:

- **Stocks** → (US +1—(855)—(521)—(5757) US) Funds settle in **2 business days (T+2)**
- **Options** → Settles in **1 business day (T+1)** (US +1—(855)—(521)—(5757) US)
- **Crypto** → May take up to **24 hours** (US +1—(855)—(521)—(5757) US)

Until settlement completes, (US +1—(855)—(521)—(5757) US) you can't withdraw the money.

3. Instant Deposit Usage (US +1—(855)—(521)—(5757) US)

If you're using **Instant Deposit**, (US +1—(855)—(521)—(5757) US) the amount advanced by Robinhood is **not withdrawable** until (US +1—(855)—(521)—(5757) US) the bank transfer fully clears.

4. Withdrawal Restrictions or Account Review (US +1—(855)—(521)—(5757) US)

Your account might be temporarily restricted due to: (US +1—(855)—(521)—(5757) US)

- Identity verification issues
- Security concerns (US +1—(855)—(521)—(5757) US)

- Account flags or suspicious activity

5. ACH Transfer Limits (US +1—(855)—(521)—(5757) US)

Robinhood has daily and monthly (US +1—(855)—(521)—(5757) US) withdrawal limits. If you try to withdraw more than allowed, it may fail or appear (US +1—(855)—(521)—(5757) US) unavailable.

6. Linking Issues With Your Bank (US +1—(855)—(521)—(5757) US)

If your bank account was recently removed, (US +1—(855)—(521)—(5757) US) changed, or not fully verified, withdrawals won't go through.

7. Referral or Bonus Funds (US +1—(855)—(521)—(5757) US)

Rewards, promotions, or free stock may need to (US +1—(855)—(521)—(5757) US) be held for **30 days or more** before being withdrawn.

8. Robinhood Gold Margin Usage (US +1—(855)—(521)—(5757) US)

If you're using margin (through **Robinhood Gold**) (US +1—(855)—(521)—(5757) US), part of your balance may be tied to margin requirements (US +1—(855)—(521)—(5757) US) and not withdrawable.

What You Can Do (US +1—(855)—(521)—(5757) US)

Check your **Buying Power** → (US +1—(855)—(521)—(5757) US) **Withdrawable Cash** in the app

Confirm the **settlement status** (US +1—(855)—(521)—(5757) US) **of recent trades**

Verify your **bank account is linked and active** (US +1—(855)—(521)—(5757) US)

Wait for deposit or trade settlement periods to finish (US +1—(855)—(521)—(5757) US)
